Home Forums > D&D Games Forums > Planescape: Torment: Planescape > Advanced Version: Agony (Classic) > Next Party Should I Choose Eleghorn or Callistase? Privy Party List of Party Members You can have up to three characters in your party - choose them wisely. In the game, there are six characters that can join your team. Sadly, there cannot be more than three members of the party with the main character. Each character has its own, different storylines, unique conversations and even quests that can be accomplished. The game is designed to provide fun using different game genres, so that each playthrough provides new things for search, etc. The same goes for peers – once you complete the game you won't be able to discover all the character combinations, you won't read all the interesting conversations and learn about their stories. The last option is made in Sagus Rocks — when you skip that spot, you can't go back and recruit other characters. Your stay in Sagus Rocks (the first major city you will encounter during the game) will enable you to meet party members available during your earthly activities. Unfortunately, the main story involves choosing a certain group that will accompany you to the next major area of the game. If you want to be able to make changes, be sure to find the bronze area before leaving the Sagus Rocks. The area is a unique artifact that can be found in the burial intersection (part of the sanctuary of the changing God) (M11.8). More information on how to get this artifact can be found in the caption for Map 11 (M11) and how to change the structure of the party beyond sagus rocks? When it comes to the likes of your peers, the main section of your character certainly plays a big role. If you, for example, want to play as a nano and specialize in spells then Callistege won't be that useful and has a better solution to recruit, such as: Tybir/Tybir. Elegan is also a good choice and uses it for anyone Can be done in the team because he can fix others. Rhine is a hard nut to crack - she's a girl that for The whole game, more of a handicap then help fights. But over time, you can discover her true self and strengthen her. However, he's certainly not an ideal team — at least when it comes to combat. On the other hand, Matkina is a good choice for any party - he's a skilled killer who's really useful in fights. He should be combined with Errits, for interesting conversations, to fight in the first line to create a very powerful team. Elegyn/Calistase is the perfect support for them. With such a party, regardless of your character's class, you can easily deal with any enemy. But remember that the choice is yours and if you want to focus on the story and know about the world then select the characters that are most interesting to you. Depending on the morale and combat levels of the postage, Zerth Blade will receive special effects and enhancements. Dak'Con Fighter/Mide Dak'con' is Githzerai, a race whose people live in Limbo where the form of substance can be held together by concentration. Dak'con Gitzera is a scholar of mysticism, and travels to better understand the special teachings hidden in the circle of Germanism. A player character with high knowledge must read Zerthimon's unbroken circle, found in bags of postage, and discuss his content with postage to discover the history of githzerai. Mitch Pileggi, best known for his role as Walter Skinner on the X-Files, voiced Dak'kon. Annah grew up in the hive and all indian union and This place. Annah Annah-Shadow, also known simply as Annah, is a tefling (part human, part demon) rogue. He's one of the more notable voices in Planescape as he speaks in the thick accent of a mix of cant, rhyming slang and local dialect native to Sigil. Initially through friction, Annah has honestly attracted the unnamed one, though she would be hard pressed to accept it. With Annah, you get a chance to understand the point of tiffing of the planescape's view. She sees Sigil as rude and unforgiving, but at the same time, it's home. Hearthstone cases are difficult for Annah, it's usually brash and insulting tefling become confusing and resistant. Annah is voiced by Sheena Easton, a Grammy Award-winning Scottish singer recognized for such hits as The Morning Train, To Your Eyes Only, Airs and Chinese Walls. Anonymous can't become a priest in a PST: EE, so from fall to grace party is important. Grace's fall from fall - Grace made a succubus, a tanar'i to seduce humans. And yet, grace from the fall chose to follow a different path instead. She is the only party member who can use divine magic to heal peers. But it won't be easy to find him, so you should first talk to all nine intellectual prostitutes in the brothel of Intellectual Lusts Slating. Vidya Kaushal can identify Grace's expertise and many magical objects from the fall thus you need to save copper and use spells.
